FOR PM/PPA STEPHANIE AHERN

E.O. 12958: DECL: 06/15/2016
TAGS: [PARM](#) [PK](#) [PM](#) [PREL](#) [MASS](#) [CD](#)
SUBJECT: CHAD: SECTION 1206 FOR FY 07

REF: A. SECSTATE 84596
[1](#)B. NDJAMENA 53

Classified By: CLASSIFICATION DERIVED FROM REFTEL

[1](#)1. (S/NOFORN) Post has reviewed the FY 07 proposed 1206 activity (reftel A) and declines the following program:

Tactical Communications Interoperability (TCI) (USD 3.144)
for Chad, Algeria, Mauritania and Nigeria

Reason: At this time a number of training and equipment activities are underway with the Chadian armed forces. We are concerned about overloading the host government's ability to effectively manage and utilize an additional program. Post would be willing to revisit the possibility of the TCI program in FY 2008.

[1](#)2. (S/NOFORN) Post notes that this proposed FY 07 activity is in addition to the following approved 1206 proposals:

- MISI (reftel C)
- Light Infantry Train and Equip (USD 6 million)
- Tactical Airlift Capacity Equipment (USD 1.7 million)
- Partner Nation Intelligence Capability (USD 1.1 million)
(with Algeria, Chad, Mali, Mauritania, Morocco, Niger, Nigeria, Senegal)

[1](#)3. (S/NOFORN) Post reminds that reftel B requested that we be given an opportunity to review the details of the proposed training for Partner Nation Intelligence Capability prior to scheduling of the training and deployment to Chad.
